

INVITATION

WERA Operators Seminar 28th September – 2nd October 2009

Helzel Messtechnik invites interested WERA operators or future operators to participate at an intensive seminar at our factory in Kaltenkirchen, Germany.

The first two days of the seminar concentrate on the understanding of the physics and technology behind WERA and will give an overview about the system hard- and software structure. Furthermore the basics for site planning will be explained to enable users or consultants to carry out future site planning.

The third day is reserved for the introduction to the software tool box. This lesson will be continued on the fourth day with showing examples for using these tools for quality assurance and trouble shooting.

On the last day the whole group will go to our WERA site at the north sea coast to carry out some practical training, including trouble shooting.

The seminar fee is 800,- Euro per person. This fee includes the transportation to the WERA site, lunch, refreshments and coffee.

For consultants, we also offer the possibility to book only the first 3 days for a reduced fee of 500,- Euro.

We offer this seminar for free for up to two persons per WERA user.

To make the seminar as successful as possible, seminar places are limited and registration will be handled on a "first-come, first-serve" basis.

If you are interested to participate, please return the attached filled-in registration form to the following fax number +49-4191-95 20 – 40 or mail it to Birgit Hansen under hansen@helzel.com

AGENDA

WERA Operators Seminar 28th September – 2nd October 2009

09	Practical training at our site at the coast (with real trouble shooting training)	all	
	Dinner in Büsum at North Sea Coast (end 21:00 pm in Kaltenkirchen)	all	

Additional Information

Airport

Kaltenkirchen is situated north of Hamburg within a 40-minutes taxi drive distance to Hamburg airport. Hamburg could easily be reached by public transportation to do some sightseeing or shopping.

Hotel bookings

There are three hotels of different categories close to the factory. We would be pleased to assist with hotel bookings. Please mark the hotel of your choice on the registration form.

Hotel **Dreiklang**, Kaltenkirchen (15 minutes taxi distance) € 112,-
<http://www.landhotel-dreiklang.de/>

Hotel **Wiking**, Henstedt-Ulzburg (15 minutes public transportation) € 65,-
<http://www.wiking-hotel.de/>

Hotel **Landhaus**, Kaltenkirchen (15 minutes walking distance) € 46,-
<http://www.kaltenkirchener-landhaus.de/>

All prices are standard single-room prices including breakfast.

Site visit

On Friday, we will visit our WERA site in Büsum at the north sea coast which takes approximately 1,5 hours drive by car. WERA is main component of the German Ocean-Monitoring System OMS.

Further information could be found under www.ocean-monitoring.com

The costs for this visit are covered by the registration fee.

Registration deadline

Please return the filled-in registration form until July 31, 2009 to fax number +49-4191-95 20-40 or e-mail it to Birgit Hansen under the following address: hansen@helzel.com
